Faheema Adia is a Senior Equity Analyst at Momentum Securities, with over a decade of experience in equity research and financial analysis. She holds a BCom Honours Degree in Investment Management from the University of Johannesburg, a Master's Degree (MSc) in International Business Administration from the University of London, and is a CFA Charterholder.

Faheema specialises in the South African retail sector, with expertise across clothing, general merchandise and consumer-facing businesses. She also has broad generalist experience covering multiple sectors across the JSE, as well as international markets in the US and Europe. Her research-driven approach focuses on fundamental analysis, financial modelling and identifying key investment drivers that influence long-term business performance.
